

## Dear Residents of Valencia Village Cost Center:

Please be advised, crack sealing of the asphalt pavement in your streets will take place on:

**Monday, 4/22/24 = Crack Sealing Section 1 (Orange)**

**Tuesday, 4/23/24 = Crack Sealing Section 2 (Blue)**

**Thursday, 4/25/24 = Crack Sealing Section 3 (Yellow)**

**Friday, 4/26/24 = Crack Sealing Section 4 (Green)**

**Crack Seal Days-** Please do not park on the asphalt pavement within the Phase scheduled for crack sealing procedures between the hours of 7:00 a.m. and 5:00 p.m. on the above mentioned dates. Please park vehicles in driveways or out of the work area. Vehicles will be permitted to enter and exit the complex at all times. Please drive slowly and mind the safety barricades. It is perfectly okay to drive over the fresh crack seal materials once it is applied.

The crack seal procedures may create dust, please close all windows and doors adjacent to the repair areas. Please cover vehicles and valuables to protect these from debris.

**Turn your irrigation system off the day before work commences in your section, & leave it off for 72 hours. Do not wash your cars during this time.**

- **Coordinate with landscaping service providers to make necessary changes in their schedules.**

***Any vehicles left on a section of asphalt pavement scheduled for repair will be towed at the vehicle owner's expense.***

Feel free to call or email our office with any questions from 8am – 4pm (Monday – Friday) at [\(805\) 933-0909](tel:8059330909), or [support@gmpavement.com](mailto:support@gmpavement.com). Please reference our project number **12327MDM1** when calling or in the subject line of the email. Calls and emails received after hours will be returned the next business day. Thank you for your patience and cooperation.
